

We are looking forward to your contribution to the investment process for the portfolio of the MIC!

<p>When do we meet?</p>	<p>During the semester we hold our sessions every Tuesday at 19:00. We switch between a shorter session for portfolio updates and a longer session where we hear new pitches. The schedule is on our website ("<i>MIC Portfolio</i>")</p>
<p>What roles do you offer?</p>	<p>You can join the different portfolio teams as an Analyst. We have three teams that cover Europe, North America, and Emerging Markets. What your senior analyst role entails is detailed in the job descriptions.</p>
<p>How can I apply?</p>	<p>Send us your motivation letter and supporting documents to info@mannheiminvest.de. Deadline is a week before semester start.</p>

How Does a Stock Enter the MIC Portfolio?

in | Email | Instagram

- Your MIC President

INVESTMENT TEAM SENIOR ANALYST

Participating in the investment team

How you will contribute:

- Pitching a stock about once every month
- Covering stocks in the MIC portfolio und providing us with performance updates
- Observation and analysis of the stock market
- Active participation at the meetings of your investment team
- Active participation during portfolio decision sessions

What we require from you:

- A firm grasp of the fundamentals of capital markets
- Knowledge with respect to making investment decisions
- Flexibility, as well as the ability to meet deadlines
- Reliability and the willingness to take on responsibility
- Be a team player
- Motivation and that you enjoy volunteering for the MIC
- About 2-3 hours of work per week

That is what we offer in return:

- Gain further experience with fundamental analysis of stocks and portfolio management in general
- Personal development resulting from you taking on responsibility and presenting frequently to the investment committee
- The ability to participate in the highly motivated team of the MIC
- The opportunity to actively participate in the MIC Student Managed Portfolio
- An excellent opportunity to interact with the up-and-coming MIC network
- Your work for the MIC on the investment team will be certified by us

If we have raised your interest, apply to us one week before the start of the semester by writing a short email to info@mannheiminvest.de. We inquire you to briefly describe your motivation as well as submit any supporting documents. This could be for example your Junior Analyst Certificate. We are looking forward to your application.

If you have any further questions, feel free reach out to us via info@mannheiminvest.de.

INVESTMENT TEAM SENIOR ANALYST
